We Stand Behind Our Work with a Triple Protection Warranty

We believe nothing is more important than customer satisfaction. That's why we back our workmanship with 2 outstanding warranties. Here's how we protect you:

1. Gary's Tracyton Garage warranty covers 15 months or 15,000 miles on all labor -- almost double what our competition offers!
2. Bosch backs all electrical components installed at our service center, with a 12 month nationwide warranty, redeemable at any Bosch authorized service center.
